Clarke®

Cleaning Power Since 1916.

BEXT® Portable Extractor with On-Board Heat and BEXT® Portable Cold Water Extractors

BEXT® 100 and 100 H

BEXT® Improves Dry Time

- Low moisture system, .8 gpm
- Faster evaporation with higher temperature (BEXT 100H heated unit only)
- 5.7" 3-stage vacuum motor

BEXT® Increases Cleaning Effectiveness

- Heated models produce up to 212°F water at tip
- Pump pressure 100 psi demand pump, no priming necessary

BEXT® is Portable

- Easy to load and transport
- Usage in buildings with multi-story/surface
- Performance alternative for maintenance cleaning
- Safety - no long hoses - no open doors

BEXT® Deep Cleans

- Heat increases effectiveness up to 40%
- High pressure injection increases agitation
- BEXT® is a carpet restorative system

Easily extract large or confined carpeted areas such as stairs or tight office spaces. Optional hand tool makes cleaning partitions, fabrics and upholstery a snap.

A small, light-weight foot print and velcro cord wrap give you easy maneuverability. Large non-marking wheels, easy-lift handles and positive lock tank latches make transport easy and safe.

Each unit includes a double bend polish stainless steel extraction wand, vacuum and high pressure hose.

Integral handle for easy transport

Powerful vacuum delivers 140 inches lift

Product lifetime warranty on rotationally molded tanks and frame

9 gallon solution and recovery tanks

Large non-marking wheels

Quick dump-out drain gate

Positive double locking safety latch

Recessed solution port reduces breakage

Front lift handle built into the body

Lighted rocker switches with sealed switch plate and switches

The BEXT® 100H Offers Onboard Heat!

Increasing solution temperature to 212°F at the spray tip dramatically improves cleaning results.

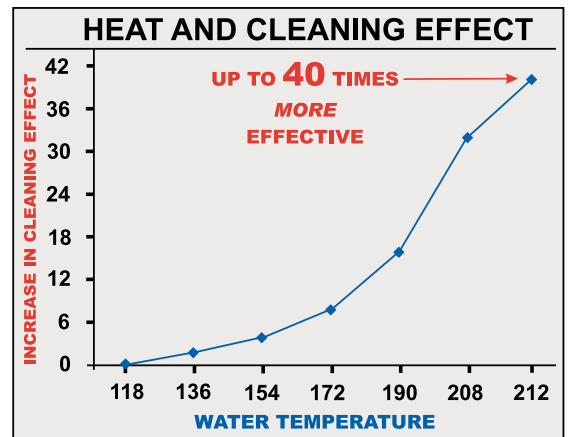

No holes in the tank bottoms - no leaks

In-line heater heats water after the pump

Horizontal mount vacuum design for long life

High quality gasket seals out water drips

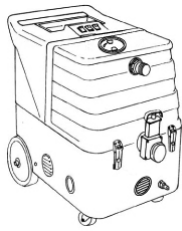

Compact, yet designed for easy access and maximum efficiency

BEXT® Series

Portable Hot Water and Cold Water Extractors

KEY FEATURES

- In-line heat exchanger (100H only)
- Instant heat 212°F at spray tip
- 100 psi demand pump, no priming
- Low moisture system 0.8 gpm
- 5.7" 3-stage vac motor
- 9 gallon solution & recovery tanks
- Easy circuit locator (100H only)
- Product lifetime warranty (tanks, frame and in-line heater)

SPECIFICATIONS

	BEXT 100	BEXT 100 H	BEXT 100 H Detailer
Part Number	04146A	04152A	04158A
Solution Tank	9 gallon rotationally molded		
Solution Pump	100 psi demand pump		
Vacuum Motor	5.7", 3-stage		
Water Lift	140"		
Easy Circuit Locator	NA	Standard	
On-board Heater	NA	Standard	
Wand	Double bend twin nozzle polished stainless steel		
Power Cable	25 ft. 12-3 ga., hosp. grade plug	(2) 25 ft. 12-3 ga., hospital grade plug	
Wheels	(2) 8" non-marking		
Hose	15 ft. crushproof vacuum and high pressure solution line		
Low Moisture System	Standard		
Float Shut-Off	Standard		
Weight	69 lbs.	75 lbs.	
Warranty	Product Lifetime (10 years) - on Tank and Mainframe; 1 Year Parts & Labor		

WHO USES THIS MACHINE?

- Public facilities, office buildings
- Airports
- Schools, universities, colleges
- Hotels
- Cleaning contractors
- Government buildings
- Hospitals and nursing homes

WHAT DOES IT DO BEST?

- Cleans carpets faster
- Creates up to 212°F hot water (H model)
- Maintains a high pressure cleaning spray for effective soil emulsification and extraction

WHAT MAKES IT EASY TO USE?

- Easy circuit locator - no blown circuits
- Low moisture - faster dry times and no overwetting
- Compact and light weight - easily transported

WHAT ENHANCES ITS PRODUCTIVITY?

- Instant heat - up to 212°F at wand tip effectiveness
- High pressure - penetrating injection agitation
- In-line heat exchanger - heats water after pump

WHAT ADDS TO ITS DURABILITY?

- 5.7" 3-stage vacuum motor
- Rotationally molded tanks

- Industrial 3-stage vacuum motor
- Vertical mounted vacuum intake - no leaks
- On-board heater in line after the pump
- Sealed switches and switch plate

WHAT ARE THE SAFETY FEATURES?

- Reduced body strain and stress
- Easy circuit locator - prevents overload
- No open unsecured doors required
- Hospital grade plugs

WHAT ARE THE OPTIONAL FEATURES?

- Optional accessories upholstery tools, Clarkare™ chemicals, BEXT® CHAT grout attachment (PN 30724A), mini-spotters, carpet dryers, and more.
