Clarke®

Cleaning Power Since 1916.

The CarpetMaster 200 Dual Motor Series:
Built for Speed, Without the Fatigue!

Designed with the benefits of a dual motor vacuum:

Better Productivity: 1350 watts of total cleaning power optimally allocated to driving the brush and vacuum independently. The result is a one-pass cleaning capability which saves up to 20% in cleaning time.

Carefree Operation: The brush stops turning when the operator is detail cleaning with the wand and tools.

CarpetMaster doesn't weigh you down!

Unlike most dual-motor vacuums, the CarpetMaster has it's vacuum motor located at the base of the machine. The result is a lighter handle weight. That means less fatigue for the operator.

A Practical Vacuum with Features that Matter

- *HEPA filtration comes standard*
- *Quick-draw detail wand with secure easy-access tools*
- *Bright, prominent bag light alerts the operator to change the bag or check for clogs*
- *Quick and simple bag replacement*
- *Easy access to air channel in base to clear clogs*
- *No-tools access to brush for easy change*
- *Simple brush height adjustment*
- *2-year service free cog style sealed belt*
- *Non-marking bumper*
- *50 ft. safety yellow cord*

50 ft. safety yellow cord wraps quickly and allows the operator to clean large areas while keeping passers by safe.

Light handle weight won't fatigue the operator.

Easy to use quick-draw detailing wand and tools.

Loaded with Features and Benefits!

Easy to change brush. Simply unlock the brush and pull out.

Convenient access to standard HEPA filter.

Simple controls make the CarpetMaster easy to operate and maneuver. Convenient handle location assists operator with lifting up stairs, onto carts and more.

Adjustable height handle

Safety yellow cord wraps quickly on convenient cord wrap

On/off switch

Convenient handle makes lifting a breeze

Quick-draw detailing wand and tool compartment

Brush height adjustment knob

HEPA filter compartment

Full bag/clog indicator lights

Foot release

Lock for easy brush change out

Non-marking gray wheels

Hose removes for quick clog checks.

Quick and simple bag replacement. Just lower the bag holder and pull your used bag out, then slide in a new bag and snap holder back into place. Easy as 1-2-3!

Tool and storage compartment is located directly behind the quick-draw wand.

CarpetMaster Upright Vacuum
